Career in Manage-Men Techniques (Project Management)

What Is a Project Management Methodology?

A project management methodology is a set of principles,

Tools

and techniques that are used to plan, execute and manage projects.

What Is a Project Management Methodology?

Project management methodologies help project managers lead team members and manage work while facilitating team collaboration.

What do Project managers do ?

- planning,
- organizing,
- securing,
- controlling, leading and managing resources and tasks to achieve specific business goals.

What do Project managers do ?

Project managers determine strategies to kick off the project, evaluate and understand the project requirements, analyze and bring the required professionals on board, and monitor the progress of the work.

Project Management Market

The project management industry is worth **\$6 billion** in 2021.

By 2030, the industry is expected to reach **\$15.06 billion**.

By 2030, there will be a demand for **25 million** project management employees to fill global talent demands (PMI, 2021).

The average total compensation for a Project Manager in the US is \$105,282.

There were around 603,120 project managers in the United States in 2021

51% of organizations require project professionals to have some type of certification for their role (PMI, 2020).

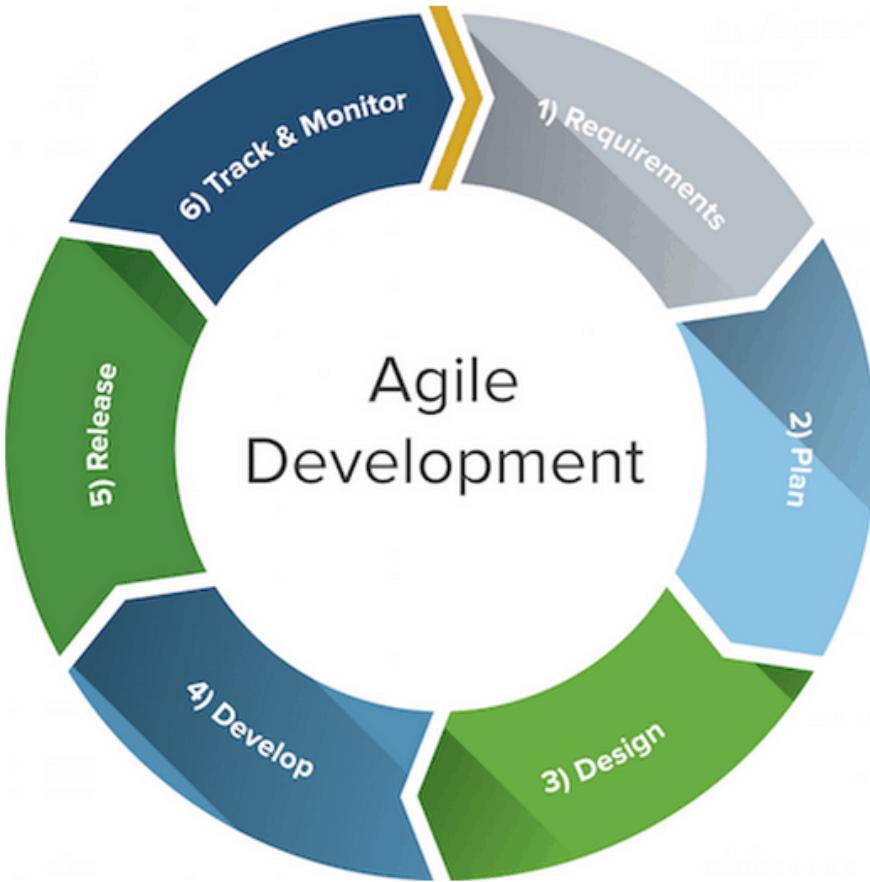

Project management Methodologies

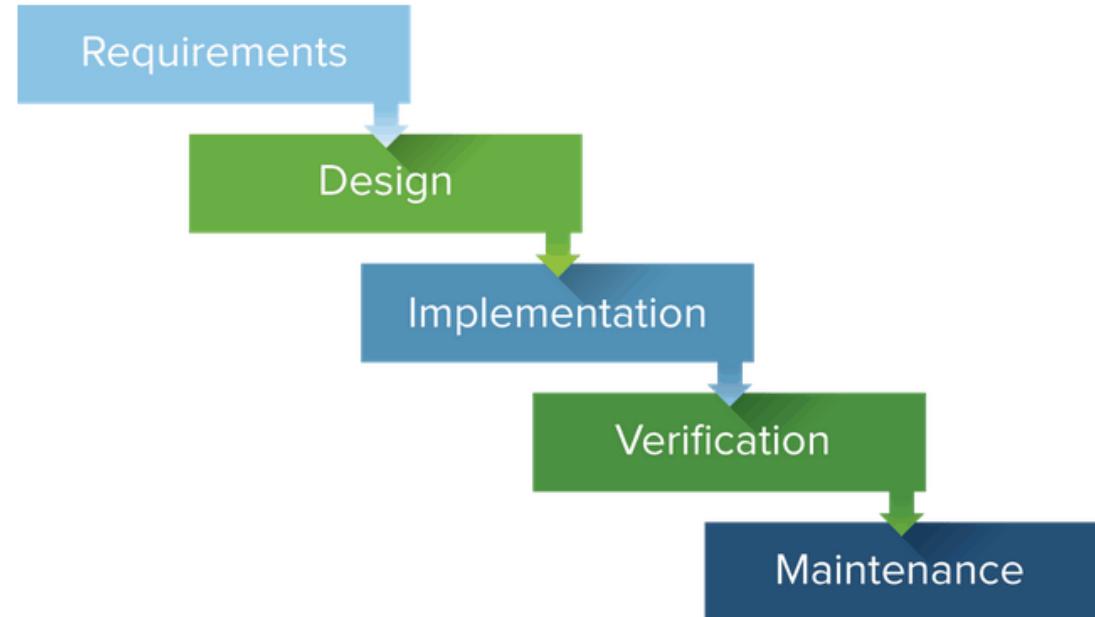

WaterFall

Agile

Agile

Waterfall

- Continuous cycles
- Small, high-functioning, collaborative teams
- Multiple methodologies
- Flexible/continuous evolution
- Customer involvement

- Sequential/linear stages
- Upfront planning and in-depth documentation
- Contract negotiation
- Best for simple, unchanging projects
- Close project manager involvement

Major Waterfall Certification Trainings

- **PMP (Project Management Professional)**
 - PMI (Famous in USA, Canada, Middle-east)
- **CAMP (Certified Associate in Project Management)**
 - PMI (Famous in USA, Canada, Middle-east)
- **Prince2**
 - Axelos (Famous in UK)

Major Agile Certification Trainings

CSM (Certified Scrum master)
Scrum Alliance

ICP (ICAgile Certified Professional)
ICAgile

PSM(Professional Scrum Master)
Scrum.org

Where should I start?

- Study about major project management methodologies.
- Read some books/Online materials.
- Join Seminars and gatherings.
- Join the community.
- Do some Certifications.
- Apply for jobs.
